Biodiversity, Ecology and Conservation

Psychology and Social Issues

Clinical Psychology & Mental Health

Psychology Now! Contemporary Issues in and Applications of Psychology

University of Sussex Business School

Engaging Consumers with Sustainability

Unharnessing Innovation with Sustainability

Principles of Business and Management

Faculty of Social Sciences

Climate Justice

Faculty of Media, Arts & Humanities

The Age of Adolescence:
Reading 20th Century Youth Culture

British History
from Regency to Radicalism

British Cinema

English Language and British Culture

Entry Requirements

Language Requirements:

6.0 overall, in International English Language Testing System (IELTS) (Academic): with at least 5.5 in each of the four components (Listening, Reading, Speaking and Writing) or equivalent.

Academic Requirement:

2.8 GPA out of 4 or equivalent at university level.

Further details can be found on our [Entry Requirements webpage](#).

Partner Arrangement: We can be flexible in what can be accepted upon discussion with the partner. The modules are over a three-week/ four-week period and therefore very intense and students need to be at a suitable academic level to be able to manage the workload.

University Credit

Undergraduate Summer School:

Each 3-week module is worth 15 Credits equivalent to 7.5 ECTS or 3-4 US credits. They will each offer a minimum of 150 study hours including a minimum 40 contact hours.

Physics Undergraduate Summer School:

Each 4-week module is worth 15 Sussex Credits equivalent to 7.5 ECTS or 3-4 US credits.

Students are advised to check with their home institution whether they are able to transfer credits back for their degree.

Accommodation

Self-catering accommodation – on campus residences. The accommodation will include:

Private single occupancy bedroom with either shared or ensuite bathrooms. These are a mixture of flats and townhouses with shared facilities.

Bedding pack – duvet and duvet cover, sheet, towel, pillow and pillowcase.

Kitchen pack – pots, pans and cooking utensils, cups, plates, bowls and cutlery.

Summer Student Life

Health & Wellbeing

Students will receive a Gold Gym membership for the duration of their stay.

Into the City

Trips to discover Brighton, voted the happiest city in the UK for students.

History, Culture & Nature

Explore local sites of historical and natural beauty on Friday trips.

Social Experiences

Quizzes, sports, karaoke, film nights, and Students Union events and activities on campus and in the local area.

All included in the accommodation and student life fee.

London Weekend

Session One

Friday 4th July – Sunday 6th July 2025

Session Two

Friday 25th July – Sunday 27th July 2025

The weekend package includes:

Transport to and from London

Two nights in a hotel with breakfast

Guided tours of top attractions and landmarks

Spaces are limited. Students can book following payment of tuition deposit. Optional trip costs £295.

Programme Fees and Cancellation Policy

Partners receive a 20% fee reduction on tuition fees. See full information on fees below.

Undergraduate Summer School	Partner/Early Acceptance rate (20% reduction on tuition fee)	Non-partner rate (after 1 April 2025)
Tuition fee	£1300	£1625
Accommodation and student life programme fee	£1020	£1020
Total per student for 3-week session	£2320	£2645

Physics Undergraduate Summer School	Partner/Early Acceptance rate (20% reduction on tuition fee)	Non-partner rate (after 1 April 2025)
Tuition fee	£1950	£2437
Accommodation and student life programme fee	£1360	£1360
Lab fee	£300	£300
Total per student for 4-week session	£3610	£4097

Additional course fees may apply. See our [module pages](#) and [Fees and Costs webpage](#) for further details.

If a student withdraws within the cooling off period (within 2 weeks of accepting a place), 100% of the programme fee will be refunded. Outside the cooling off period and before classes start, 100% of the programme fee will be refunded minus the £250 deposit. After classes start the programme fee will not be refunded. Further details can be found on our [Terms and Conditions](#) and [Refund Policy](#) webpages.

Application and fee payment

Students are required to apply online via our [Application Portal](#). Please see [How to Apply](#) for further details.

Deposit: We request payment of a deposit of £250 for students to secure their place on the Summer School and it will be paid directly to Sussex by the student. The deposit will then be deducted from the programme fees payable at Registration stage.

Partner Arrangement: For partners who are paying the fees on the student's behalf we are not requesting a deposit at the application stage but invoicing the full programme fees to the institution at the end of the summer school. This means that once we receive the student's application, we can cross-reference them to a pre-approval list provided by the partner and proceed with offering them a place on the summer school.

If you have any questions about the payment arrangements for your institution, please contact Jane Smith (js2285@sussex.ac.uk).

Calendar

- Dec 2024** Applications open.
- 1 Apr** Early Acceptance fee application deadline.
- Apr** Confirmation of modules that will run.
- May** Applicants notified of course allocation (if not before).
- 31 May** Applications close. NOTE: Applications can be submitted after this date subject to course availability.
- 30 May** Online Pre-enrolment opens and class timetables available.
- 13 Jun** Fees due in full.
- 28 Jun** Undergraduate and Physics Session 1 - Housing opens from 10am.
- 30 Jun** Undergraduate and Physics Session 1 - Classes begin.
- 17 Jul** Undergraduate Session 1 - Last day of formal classes and final examination/papers due.
- 19 Jul** Undergraduate - Students attending Session 1 only required to vacate housing by 10am.
- 20 Jul** Undergraduate Session 2 - Housing opens for students to check-in from 10am
- 21 Jul** Undergraduate Session 2 - Classes begin.
- 24 Jul** Physics Session 1 - Last day of formal classes and final examination/papers due.
- 26 Jul** Physics Students attending Session 1 only required to vacate housing by 10am.
- 7 Aug** Undergraduate Session 2 - Last day of formal classes and final examination/papers due.
- 9 Aug** Undergraduate Session 2 - Students required to vacate housing by 10am.
- 21 Aug** Physics Session 2 - Last day of formal classes and final examination/papers due.
- 23 Aug** Physics Session 2 - Students required to vacate housing by 10am.
- Sep 2025** Transcripts distributed.
