

Warwick Summer School
16 July – 5 August 2023

Unlock your true potential this summer

Students on the Warwick Summer School will be taught by academics from one of the UK's leading universities, whilst living on the beautiful world-class Warwick campus.

Excellence in the Heart of England

The University of Warwick is in the Heart of England, close to the cities of Coventry and Birmingham, Shakespeare's birthplace Stratford-Upon-Avon and Warwick Castle. We're also just an hour away from London by train.

In addition to the excellent academic courses, students will also enjoy lectures from inspirational guest speakers as well as a fun and engaging social programme. There will be plenty of time in the programme for students to explore the local area and the UK. Summer School students were overwhelmingly positive about their experience, with 99% of 2022 students saying they would recommend it to others.

Courses

Whether you want to boost your core knowledge, are looking for something more specialised, or would like to learn something new, we have a course that is right for you.
