

## Nomination and Applications

Exchange students must be nominated by their home university by 1<sup>st</sup> April (autumn semester) and 1<sup>st</sup> October (spring semester).

The application process is outlined on this website:

<https://www.stir.ac.uk/international/study-abroad-exchange/coming-to-stirling/how-to-apply/>

Nominations and all application documentation should be emailed to [studyabroadIN@stir.ac.uk](mailto:studyabroadIN@stir.ac.uk).

## Module selection and enrolment

Students are required to select their preferred course modules and include them on the application form. It is helpful for students to select up to six modules, and they will ultimately be enrolled for their preferred three.

Three course modules is the standard full time load for all students. One University of Stirling module is equivalent of 10 ECTS credits. We are unable to enrol students for more than three modules. Students should select their modules from the study abroad course catalogue:

## Accommodation

University housing is available for incoming study abroad students in selected on and off campus residences. Our off-campus housing options are located a short bus journey from the main campus, and properties are owned and managed by the university.

Accommodation is allocated on a first come first served basis. Students will be able to apply for accommodation after they have accepted their offer of admission:

## International Summer School

Our dynamic International Summer School offers a rewarding, once-in-a-lifetime experience, through our well-rounded education, social and cultural programme. The summer school runs over two four-week blocks between June and August, with students choosing to attend either block 1, block 2 or both blocks. All summer school modules are worth 3 US credits / 5 ECTS credits and include topics such as:

Writing short stories, Landscape Photography, Witchcraft in Early Modern Scotland, Audio Podcasting, Education and Sport.
