Annual Plan and Events by Clubs/Societies:

- The Annual Calendar of each club/society will coincide with the Academic Year of IBA.
- The calendar will consist of events which will be planned in advance.
- It is MANDATORY for each club/society to submit an annual plan that contains events, schedules, key details, and proposed budgets by the deadline. The annual plan will be prepared by the club/society and endorsed by the Patron before submitting to OSS/OSA.
- Failure to submit the annual plan within the stipulated date will lead to suspension of that club/society for the complete Academic Year. A decision by DSA in consultation with the Patron will be final and binding in this regard.
- All events will be held under any specific club/society or ISG. An exception can be allowed by DSA on a case-to-case basis.
- IBA will only allow and consider an event that has been pre-approved by the Patron, OSS, and DSA. Any other gathering of students that is announced or pre-planned but without the permission of OSS and DSA **will strictly not be allowed**. Strict disciplinary action may be taken in case if any such event is held.

Definition of Event and Type of Events allowed for a Club/Society:

- An event is defined as a pre-approved gathering of students which is announced to IBA community and any appropriate external stakeholders.
- Each club/society's scope is defined in its name as well as mission and statement of objectives.
- Clubs/Societies are bound to conduct events only within their approved scope and mission.
- Any activity or event outside the scope can be complimentary to a main event. For instance, a society can hold a musical event at the end of a conference or a competition. However, the complimentary event should be limited to 10% percent of the total budget for the event.
- Any event or activity organized by students, both on- or -offsite, that is against cultural and societal norms, is against state law, and is not in line with IBA's high moral, ethical, and professional values and standards is strictly not permitted. There is a zero-tolerance policy, and any such violation will be dealt with severe penalties and strict disciplinary action, which may include expulsion from IBA.

Any exceptions will have to be endorsed by the Patron and approved by OSS and DSA.

IBA Regulations for Events:

- Any event in which IBA resources are used, regardless of where it is being held, will be governed by IBA rules.
- DSA will deploy any resources deemed appropriate for managing and monitoring any event with and without knowledge of respective society.
- In case of any violation, the event can be stopped instantly, and the society team(s) can be held accountable for disciplinary action.
- Any event that gives a subsidy to students or funds student expenditures will be completely monitored by OSS and DSA. OSS will make the registration forms (if need be) or interview the candidates that are receiving the subsidy on any form. OSS will be responsible for providing the final list to the club/society, and only those students will get the subsidy. **Those students who are not shortlisted by OSS will get no subsidy in any form.**

Event Planning, Procurement, and Management:

- Any event or activity organized by students, both on- or -offsite, that is against cultural and societal norms, is against the state of law, and is not in line with IBA's high moral, ethical, and professional values and standards is strictly not permitted. There is a zero-tolerance policy for any such events or activities, as per the IBA Code of Conduct.
- The Patrons and the OSS team should review the list of participants/attendees to ensure that no blacklisted or controversial individuals are included.
- The relevant club/society patron or a representative selected by the Patron should attend the event to monitor the event and students.
- Any marketing campaigns should not be undertaken by societies without prior approval from ED, DSA, OSS, and the Registrar Office.
- Since IBA has a corporate relationship with Pepsi, Pepsi will be the exclusive beverage partner for IBA for the term of the MoU/Agreement. This implies that no other beverage will be sold on campus or displayed i.e., no branding of competitive products.

Events not in the Annual Plan:

In case, if an event is to be held outside the approved plan, a separate Event Approval Form has to be completed and endorsed by the Patron for approval by DSA - such approvals should be taken at least four (4) weeks in advance. After approval from DSA, the OSS will make necessary arrangements.

Checklist for Event/Activity Management:

- OBs are required to fill the Online Event Management System form in the given link: [LINK]
- This form **MUST** be used to book all venues, reserve dates, and request facilities and arrangements.
- All club/society members will make an RFQ and send it in an email to all the registered vendors separately, while keeping OSS in loop. Quotations that are received from other means except email (e.g. WhatsApp, etc.) will not be accepted.
- OBs are strictly **NOT ALLOWED** to share quotations of one vendor with other vendors. This is a strict violation of financial policy and may result in disciplinary action.
- **Every club/society HAS to receive THREE (3) quotations from three different vendors** – the Patron will vet the quotations and ensure that **THREE** have been received. Only then can the OBs forward the quotations to OSS and DSA for approval.
- Limited procurement for specialized items can be allowed by OSS/OSA on the recommendation of the Patron, on a case-to-case basis.
- The responsibility of maintaining a complete record of sponsorships, whether in kind or in cheque, lies with the Financial Officer (FO) of any given club/society, along with the Executive Officer (EO) and Operations Officer (OO). The ISG members i.e. President, Vice President, and Treasurer, along with the Campus Coordinators are equally responsible and accountable.
- **Emphasis should be on ONE Mega Event (which should be an event that includes external participation), and TWO minor events. Please ensure that ALL** events are relevant to the club/society domain.
- Outsourcing of society events to third parties, such as hiring companies/theater groups to perform at IBA events is not allowed. Only students' talents should be showcased in such events.
- Talented students are encouraged to hone their abilities and engage with societies on a voluntary basis (just like any other Office Bearer). They will have the absolute support of OSS and ISG.

If an event is to be held outside the approved plan, a separate Event Approval Form has to be completed and endorsed by the Patron for approval by DSA - Such approvals should be taken at least four (4) weeks in advance. After approval from DSA, the OSA will make necessary arrangements.
